

Technology credentials for Ohio employers

Each credential below is on the TechCred eligible credential list. Each one has its own page with the full syllabus, hours and price.

On-demand video and hands-on labs with coaching from one of our instructors. Live online or on-site sessions are available for an additional fee. Prices are per person and the same for every customer.

TechCred is a State of Ohio program. For its rules, amounts and application dates, see development.ohio.gov/TechCred or email TechCred@Development.Ohio.Gov.
